

Quick Ship

Zero Lead Time Inventory Stocking Program

Cambridge Filter is proud to present our Quick Ship Inventory Stocking Program, where we take our most popular products and offer them with zero lead time from our stocked warehouse. Whether you need a standard size **Absolute Filter** or **Micretain Filter** simply give us a call. Furthermore, if there is a product that you order regularly from Cambridge, we may be able to add it to our Quick Ship Program. Call today for pricing and availability.
